

APRIL BULLETIN BOARDS!

LOOK WHAT'S HATCHING!

This goofy hatching chick will make your students giggle with delight!

Display him on the class bulletin board along with creative writing egg booklets made by your students. The egg booklets can be decorated with crayons or markers to resemble Easter eggs.

SWINGING BUNNY!

Enlarge this cute bunny and display him on the class door or bulletin board. Glue on fluffy, white cotton balls for his tail and use real rope or cording for the swing ropes. A cute title might be, "Swing Into Spring!"

COLOR YOUR WORLD...

Fluffy white clouds cut from polyester batting set off this colorful spring bulletin board. Various colors of twisted crepe paper strips form the rainbow. Children can write colorful poems that can be displayed around the board.
