

# Happy Birthday Mobile

Copy these mobile patterns on heavy paper and hang them with thread or fishing line. Ask students to write their names on the cake and their most favorite birthday wishes on the backs of the presents.

You may wish to create a dozen "Birthday Mobiles" by writing the name of each month on a birthday cake. Write the students' names on the presents. Determine the birth months of each student and hang their present under the appropriate cake!

**Happy  
Birthday!**
