

African-American Achievers Wheel

Create an informative game by matching the famous African Americans to their cultural contribution and/or achievement.

You may want to use these patterns to create a bulletin board display. Have children select one person to research. When completed, mount papers around the contribution wheel. Students can pin their famous person's name around the appropriate area of the wheel.

Cut this wheel from colored paper and paste it to the center of a large sheet of construction paper.

African-American Achievers

SPORTS

Jessie Owens
Jackie Robinson
Evelyn Ashford
