

Lion or Lamb

Cut these two patterns from colored paper. Color and paste each lion and lamb pattern to the centers of two paper plates. Now, staple the plates together, back to back.

Glue a tongue depressor between the plates, as shown, for a handle. Or, attach a string to the top of the plates and hang as a two-sided mobile.

Glue cotton batting or cotton balls to the lamb pattern. Paste stick pretzels, short sections of yarn or dry spaghetti to form the lion's mane.
