

# MARCH BULLETIN BOARDS!

## HATS OFF!

Portray the winds of March by displaying flying hats across the class bulletin board. Children can bring hats from home to display or have them make the hats from the patterns found in this book. Add feathers, buttons, fabric and other novelties for decorations.

## GENTLE AS LAMBS!

What a great way to emphasize positive character traits to your students! Display a large lamb on the class board. Add cotton balls for his fluffy wool. With the help of your students, list the various qualities that make each of us a good friend and responsible citizen.

## GREAT WORK!

Emphasize the greatness of good classroom work by displaying this roaring lion! Children might like to write papers about things they find "Grrrrreat!"
