

Reading Keys

Cut several reading keys from colored paper for each child in the class. Children can fill out the information on the key as they read each book. Ask children to display the keys on a class board entitled "We've Found the Key to Knowledge!"

Number of Pages

Book Title

Author

Type of Book

Illustrator

Student's Name

Yes, I verify that this student read this book.

Adult's Signature

You may want to assign specific books by writing the titles on the keys before distributing them to the students. Students will have fun locating the books in the school library and taking them home to read.
