

Pilgrim Hat and Indian Vest

This Pilgrim hat is easily made from 9" x 12" black construction paper. Staple the hat to a paper strip cut to fit a child's head. Add a hat band and a buckle cut from metallic gold adhesive paper.

This simple Indian vest is made from an ordinary grocery bag. Cut a hole for each arm, one for the head and an opening down the front. Children can add their own Indian designs using crayons or paint.

Bags displaying store advertisements can be used by carefully turning them inside-out after you have cut the openings.

Make Indian headbands and feathers from colored construction paper.
