

BAKED POTATOES

Let each child scrub one small potato. Show them how to cut a slice in the top of each potato so the steam can escape. Students can also rub vegetable oil on the potatoes before baking. Place the potatoes on a cookie sheet and bake at 350° until tender. (Time will vary with size and number of potatoes.)

Kids will love choosing their own toppings for their baked potato. Try these toppings:

butter or margarine
grated cheese
chili

bacon bits
sour cream
green onions
