

CLASSROOM GRANOLA

This treat is good to eat in a bowl with milk or just right out of your hand! You will need:

2 1/2 cups uncooked QuakerTM oats

1/2 cup almonds or walnuts

1/2 cup GrapenutsTM cereal

1/2 cup flaked coconut

1/2 cup margarine

1/2 cup honey

1/2 cup raisins

Have the students mix the oats, nuts, GrapenutsTM and coconut together in a large bowl. Melt the honey and margarine together in the microwave or on top of the stove in a saucepan. Let students stir the mixture into the dry ingredients. Spread evenly onto a cookie tray and bake at 300° for about 20 minutes. (Check and stir often.) Remove from the oven and let cool. Add the raisins before serving. Store the granola in an air-tight container.
