

GIANT SUBMARINE SANDWICH

Fix one sandwich that will feed the whole class! You will need:

1 long loaf of French bread

1 package of sliced bologna

1 package of sliced chicken or turkey

1 package of sliced American cheese

Mayonnaise

Mustard

Slice the bread horizontally in half, being careful not to cut it all the way through on one side. Open the bread out flat. Have students help spread both sections of bread with mustard and mayonnaise. Layer the sliced cheese and meats on the bread. Fold the bread back over and cut into 2 inch slices. Serve a slice to each student.

You may want to wrap up the sandwich and take it on a playground picnic!
