

ICE CREAM CONE CUPCAKES

A great classroom party treat or birthday surprise!

Let students help you prepare a cake mix according to directions. Each child can then spoon the batter into flat-bottomed ice cream cones. (Make sure they only fill them about 2/3 full.) Place the cones in a muffin tin or on a cookie sheet and bake at 350° for 12 to 15 minutes. Cool before letting the students frost the cupcakes using canned frosting. Decorate with candy sprinkles.
