

## ***LAYERED FRUIT SALAD***

Use the same idea as above but use fruit instead! We suggest the following:

Chopped apples

Canned, chunked pineapple

Green or purple seedless grapes (cut in half)

Miniature marshmallows

Make the dressing by mixing 1/4 cup mayonnaise, 1/4 cup sugar and the juice from the canned pineapple. Mix thoroughly and set to the side. Have the children layer the fruit and marshmallows in a clear plastic cup. Spoon on the fruit dressing and watch the kids gobble it up!
