

## **MAGIC NO-BAKE COOKIES**

1/2 cup honey

1 cup non-fat dry milk

1 cup creamy or chunky peanut butter

1/2 cup chocolate chips

1/2 cup shredded coconut

1 cup bran flakes

**Caution!**  
**Contains**  
**Nuts!**

Let the children help measure all of the ingredients in a bowl, except the bran flakes. Have them take turns mixing until the mixture is smooth. Let each student spoon out a portion of the mixture and roll it into a ball. Show the students how to crush the bran flakes by placing them in a clean paper lunch bag and rolling them with a rolling pin. Instruct students to roll their cookie balls into the crushed bran flakes. Place them on a cookie sheet and refrigerate about three hours to firm the cookies. Great with a glass of milk!
