

## ***PIGGIES IN A BLANKET***

This kid pleaser is easy to make! For a dozen students, you will need:

One package of hot dogs (wieners)

One package of canned biscuits

Have students thoroughly clean their hands.

Give each child a piece of biscuit dough and instruct him or her to roll it into a long snake.

Have each student wrap the dough around a wiener. Place the “piggies in a blanket” on an ungreased cookie sheet and bake in a preheated oven of 450° for about 15 minutes.
