

## **SALSA**

Use canned, chopped tomatoes to make this quick, spicy salsa!

1 can of chopped tomatoes

1 diced fresh onion

1 small bunch chopped, fresh cilantro

1 can chopped, mild green chilies

1 tablespoon sugar

1 teaspoon salt

Mix all of the ingredients together in a medium bowl. The children can help do the mixing but you should probably chop the onion. Serve the salsa with corn chips, scrambled eggs or a quesadilla!
