

If your child becomes ill while in my home they will be isolated from the other children, still within sight or sound of myself, and given special attention and comfort. You will be notified immediately and will be required to pick your child up within one hour. If the parents can not be contacted, emergency contacts will be notified and they will be required to pick up your child. If reasonable efforts are not made to pick up a sick child, The child care contract is subject to immediate termination. This policy is for the health and safety of all concerned.

Before returning to care your child must be free of all symptoms for 24 hours, or be accompanied by a doctor's note. If your child has been absent from care due to illness for 3 or more days, you must bring a doctor's note indicating the child is well enough to return to care.

These policies benefit your child as well as other children. Your compliance is appreciated and will be compensated with the assurance that all ill children will be kept at home.

Medication

Prescription medications can not and will not be administered unless all the following conditions are met:

- * prescription is current**
- * medication must be in original container**
- * container must be labeled with child's name, doctor's name and when to be administered**
- * a signed medication consent form is on file for each medication to be administered**

Non-prescription medications must be in original container and labeled with child's name, name of medication and dosage. a signed consent form must also be on file for each non-prescription medication.

Please give all medications directly to me upon arrival. Do not leave them in the diaper bag or school bag.

A written log of all medication administered will be kept by myself.

Drop-in care

I do occasionally accept children for drop in care if i have space available on any given day. Therefore if you tell me that you will not be bringing your child, There is a chance I will fill your spot for that day and you could potentially lose your day if U do so. because of this I do require that you give me a minimum of 24 hour notice if you change your mind or want or need to bring your child to care after all on your day. You are still responsible for paying for all fees for your contracted days whether your child comes to care or not. I do not accept drop ins solely for the purpose of earning a little extra income, rather i do it as a service to all my parents, which may include you if you would ever need or want daycare on unscheduled time. Your 24 hour notice is not only put into place because I may schedule a drop in on your day, but will give me the time to adjust my menus and activities accordingly.
