

## **Enrollment fees**

**\* deposit for final two weeks fees. The fees for the final two weeks of care are to be paid in advance at the beginning of care. Because this adds a substantial amount to the up front costs I am willing to have this fee added to the weekly fees over 8 weeks of care in equal payments. This amount will be held in a savings account. if you chose to remove your child from my care and give the required two weeks written notice the final fees will be taken from this account and applied to your last two weeks of care. If you fail to give two weeks written notice the deposit will not be refunded.**

## **Attendance**

**Payment obligation is based on the hours you agree to use child care, not on actual hours of attendance. Both full time and part time fees will be charged based on contracted hours, including missed days due to illness, holidays, vacations, or snow days. This also applies to early and late drop offs or pick ups. late drop off does not constitute late pick up. In a sense you are paying for your child's "slot" as well as for my services.**

Payment for unscheduled overtime will be added to the following weeks fees and will be due with regular payment on the first day of care for the week. Prearranged overtime will be charged the same. This policy will be strictly enforced as it may infringe on my family's personal time or may take up another child's spot..**
