

# Tuba Teddy

Use this cute  
"Tuba Teddy" in a  
variety of ways!

1. Enlarge the patterns and display them on the class board with one of the following titles: "Students Who Are Blowing Their Own Horns!" or "Take Note of This!"
2. Give each student their own "Tuba Teddy" and have them write musical vocabulary words or spelling words on the horn.
3. Display one "Tuba Teddy" for each student on the class bulletin board. Award students paper musical notes when work is completed or behavior is improved. Students can pin the notes around their own tuba!
