

### Fred the Fire Fighter (Fox)

Use this cute character to teach important fire safety rules and vocabulary. A puppet can be made from the pattern. Make several copies of the fire engine pattern on the next page. Write safety phrases or words on the fire engine (one phrase or word per pattern). Each child can take a turn selecting a fire engine. The teacher can then teach the meaning of the rule or word.

Rules and Vocabulary

Hot things burn.

Smoke detectors warn about smoke and fire.

Stop, Drop and Roll

Fire fighters help rescue people and put out fires.

Matches and lighters are for grown-ups.

EXIT is the way out.

Protective gear (mask, coat, boots, gloves, etc.)

Fire Drill and Escape Plan

Fire engine

Crawl under the smoke.

Fire extinguisher

Fire hydrant
