Watch, watch, watch the cars,
Before you cross the street.
Carefully, carefully, carefully, carefully
Cross using your walking feet!

Five Little Boys Going to the Shore

Five little boys going to the shore,
One put on his life jacket and then there were four.
Four little boys sitting under a tree,
One put on his life jacket and then there were three.
Three little boys dressed in blue,
One put on his life jacket and then there were two.
Two little boys laying in the sun,
One put on his life jacket and then there was one.
One little boy called to his friends,
"Here comes the lifeguard, let's all go for a swim!"

Crawl Low

If you smell smoke,
Crawl low so you don't choke.
Get out of the house as fast as you can.
Follow your family's escape plan!

The Place You Know

Twinkle, Twinkle little star
Stop and leave toys where they are.
Move quickly and stay low,
Get out the door to the place you know!
